## Maeras Fires Chief Wojcik, Names

Controversy Centers On Visits To Station By Sheriff Fraundorf

Madison Police Chief Stanley Wojcik was fired last night by Mayor Stephen Maeras in a dispute over meetings between Wojcik and the former Madison chief and now sheriff, Barney Fraundorf, it was reported today.

Maeras said during the special two-hour emergency meeting of the council at 10 o'clock last night that he had talked to Chief Wojcik earlier in the afternoon about a report that Wojcik planned to quit. "I agreed to accept his resignation effective May 1 with Wojcik to take his vacation after that date," Maeras said.

Then I got a call from the city hall about 7 p.m. that Chief Wojcik had posted a notice that he was going to be gone and that Capt. Marion Linberger was to act as chief. Who does he (Wojcik) think he is? That's the mayor's job to appoint an acting chief, with consent of the council. Maeras told the Press-Record outside the city hall prior to the 10 o'clock meeting.

Also gathered at the city hall were nearly every police officer and city official. Maeras had called upon Judge Austin E. Maeras, Mayor of Venice, and County Democrat Chairman Walter "Buck" Simmons to attend.

Maeras said that he had fired Wojcik because he was a "political appointee" and he was not under the Police and Fire Commission Act. He also said he was not going to pay Wojcik more than \$300 a month and he would pay the tax on the money. Maeras said he would pay him back what he paid in.

Saturday afternoon's report that Wojcik planned to quit and possibly join the staff of Sheriff Fraundorf to fill a deputy vacancy was made by Fraundorf. The sheriff said that he would own a home in Madison, he is followed every time he enters the city. He also said he had been ordered to stay out of the city hall.

The shadowing was denied by Maeras. Wojcik told the Press-Record he had received instructions Friday to order his men to keep watch on Fraundorf when he was in the city and to report to him the places where he visited and to whom he talked. Wojcik said the notice was posted by the staff of the officers. The order was made by Maeras.

Maeras said the meetings between Wojcik and Fraundorf were political and that he fired Wojcik for insubordination in making an acting chief appointment and for not obeying an order to quit meeting Fraundorf at a club stand on Madison avenue. Fraundorf told the Press-Record in an interview yesterday morning that his prime concern was to keep Madison clean of vice and gambling.

Short Will Lead Rivals  
"I'll continue to keep a close watch, and when I find anything I'll bring my men and raid right in the city. This isn't politics. There are no political leanings in this. I'm looking for a honest man in my family will be living there again when my term as sheriff expires in two years," Fraundorf asserted.

Fraundorf said he was gathering evidence on the gambling and controlled gambling was operating off-and-on in Madison with frequenting of the city and cards at various locations. "They'd wait until Wojcik went home to bed and then start their games," he said.

Fraundorf added that a theft ring was operating out of a tavern and a gambling house. A known operator of houses of ill fame was seen earlier this year frequenting a new-found tavern in the 1300 block of Madison avenue.

"We don't want Madison to go back to those old days," he declared. Fraundorf said his men were to keep watch on the city and to report to him the places where he visited and to whom he talked. Wojcik said the notice was posted by the staff of the officers. The order was made by Maeras.

During last night's meeting, Maeras emphasized there was no vice or gambling in the city and he ordered the police officers to keep watch on the city and to report to him the places where he visited and to whom he talked. Wojcik said the notice was posted by the staff of the officers. The order was made by Maeras.

## State Testing Material Used in Bridge Piers

The Illinois Division of High-  
ways is conducting tests to de-  
termine if sections of two piers  
at the new \$7 million Chain of  
Rocks bridge now under con-  
struction will have to be re-  
placed.

The state discovered last  
March 17 that a manufactured  
aggregate labeled "material" was  
placed in a ready-mixed  
concrete used in the piers. Sig-  
nifications called for a crushed  
stone aggregate.

Carl Schlosser, highway dis-  
trict 8 engineer, said that the  
concrete in the two sections was  
contaminated, but less than the  
5% permitted in specifications.  
Tests are being made in  
Springfield on cores cut from  
two sections of the piers to de-  
termine the strength and ab-  
sorption of the concrete and its  
reaction to changes in tempera-  
ture and weather conditions.

Material is made from  
crushed slag which is treated  
with hazing to make it water re-  
pellent, and then baked. It has  
been used previously in bridge  
decks and is more expensive than  
crushed stone. Schlosser said.

## Washington PTA Promoting Art Cultural Program

The Washington school PTA is carrying out an extensive cultural program, to provide high quality prints of various art masterpieces for each class room. The PTA committee is con-

sulting each teacher and the students for preferences. Groups of prints are being displayed on cafeteria tables and the teachers and students make their selections.

"Due largely to the excellent system of art being taught in the schools at present, the students discuss the prints like art connoisseurs and ask some very intelligent questions. Quite a number have asked to see a print of 'Mona Lisa,'" the committee stressed.

The teachers already have begun plans to rotate the works from room to room so the students can learn about each one and also the artist who painted it.

Miss Geneva Wallis chose "Blue Boy" for her third graders and then purchased "Pinkie" herself to hang as a pair in her room. These two were always thought of together though actually they were painted by different artists.

Fred Noth, principal, picked a Utrillo scene for his office. Most teachers and students are selecting realistic and impressionistic works but a few have chosen modern ones.

The prints are being purchased from DeWitt's Suburban Store on Johnson road and Richard Holdshire of the store is doing the framing.

It is planned to carry this project even further and purchase original works done by local artists. These will be hung in the cafeteria and on the walls of the halls.

This project is being carried under the supervision of a committee of which Mrs. Bonnie Fuller, local artist and YMCA art instructor is chairman. Mrs. Imogene Patton, president of Washington PTA and Mr. Noth, are members.

Dorothy Krompal was appointed chairman of the refreshment committee and room mothers will be in charge of the games and prizes at the event.

Sister Mary Frances Cabrini's room won the attendance award to be used by the eighth grade graduating class for a communion breakfast.

Plans were made for a school picnic by the St. Joseph's Parent and Friend club Thursday night in the church hall. The picnic is scheduled for May 19 at Wilson Park.

## Council Expects Busy Session

A busy session is on tap for Granite City council members this evening with reports on river and air pollution abatement progress, recommendations expected for hiring a motor fuel tax project engineer and a city engineer and possibly a recommendation for city financial participation with other agencies in updating the master growth plan for the city.

The cost to the local government would be about \$11,000, with the federal government paying the remaining two-thirds of the total \$33,000 cost. Also asked to take part are the school district, park district, Granite City Housing Authority, that cooperated to finance the original in 1958, and the Tri-Cities Chamber of Commerce and Associated Retailers.

Council members also are expected to consider further action on condemnation of property in the 2200 block of Benton street and further discuss drainage easements, sewer rental charges for apartments and routine city reports as well as any budget proposals. Plans for the new West Granite fire station may be available.

The Special Pollution Study committee, headed by Charles W. Doerflinger, first ward alderman, is expected to submit reports at its meetings with officials at the Granite City Army Depot, and Alderman Samuel Whittier, Second Ward, who heads the Air Pollution Study committee, also is preparing a report on possible assistance that can be given the city by the state department of public health.

For Virgin Mary Parish

## New Orthodox Catholic Church To Be Constructed

Plans for a new church building for the congregation of the Virgin Mary Eastern Orthodox Catholic Church in Madison are announced by Rev. Theodosius Lazor, pastor, and Virgil Dujovner, Granite City architect.

The church, to feature an onion dome or cupola similar to Russian churches, will be erected at Fifth street and Zwing avenue, location of the current church building which is to be razed.

Specifications for the structure became available today at Dujovner's office, and bids will be opened on May 13.

The new building will seat 150 persons. The dome and bell tower will be of gold anodized aluminum. A stained glass Madonna will be set in a tower window, and a scene of the resurrection in stained glass will be located over the sanctuary.

Domestic Dimensions The dome will be mounted on a 24-foot hexagon brick tower, will be 18 feet high and will have an 8 1/2-foot diameter. The tower will rise about 11 feet and will have an open grill effect in the bell area.

The interior will feature icons and a large imported chandelier containing about 70 candle bulbs. A grille work being made in the east will block the front of the sanctuary from the rest of the nave and also will contain icons.

In addition to the nave and sanctuary, the structure will include a vestibule, office, two sacristy rooms and a full basement to be used as a social hall. It will have a full stage, and an adjacent room will house heating and air conditioning equipment.

Construction is to start after the contract is let next month, and groundbreaking ceremonies will include the contractor, architect, pastor and leaders of the congregation.

Religious ceremonies of breaking of the ground and planting of the cross already have been conducted.

Congregation Enthusiastic Father Theodosius, who said that both he and members of the church are very enthusiastic about the project, hopes that the structure will be sufficiently completed to hold the liturgical services for the 64th anniversary of the congregation on Sept. 20.

Dedication ceremonies are to be held at that time, with the blessing of the church to be conducted by Archbishop of the Chicago archdiocese. Father Theodosius and the architect will discuss the final church structure of that particular design to be constructed in the Quad-City area.

### First-Aid Is Demonstrated

The Logan school PTA met Thursday evening in the school multi-purpose room, with first-aid as the major topic.

Cub Scout Pack four, led by Mrs. Nona Harp and Mrs. Mabel Carter, presented the flag and led in the pledge of allegiance. The American flag used in the ceremony was presented to Pack Four by the Veterans of Foreign Wars Auxiliary at a meeting last week. Cubmaster of the pack is James Reynolds.

The PTA program was given by Girl Scout Troop 251 under the leadership of Mrs. Lilly Anderson. The finger splint was demonstrated by Judy Anderson and Kim Scheff; figure eight bandage for the ankle by Debbie Sebold and Lois King; arm sling by Janet Stoppiotte and Linda Pilcher; bandage for hand burn by Betty Bihrey and Barbara Bliedworth; manual artificial respiration by Marilyn Merical and Regina Odom; and anchoring a bandage on the wrist by Regina Odom and Kathy Soehntje.

George Withers, PTA president, was in charge of the business session.

Announcement was made of an April 30 meeting of the citizens' committee in connection with the school bond issue proposal. Withers appointed ten members as representatives of the PTA unit.

Withers reported that plans have been made for a candy sale next fall.

Mrs. Jean Stoppiotte, picnic chairman, reported that the annual picnic will be held at Wilson Park on May 22. Prize of the evening was presented to Mrs. Faye Laws.

Tags for members were made this month by the cubs of Pack Four. Refreshments were served by the fourth grade room mothers.

# Warriors Sparkle in Shot, Discus, But Favored Redbirds Take Relays

Granite City's Warriors dominated the weight events but finished sixth among seven schools in the annual Southwest Conference Relays Friday at Belmont.

As expected, the Alton Redbirds finished first with 107 points and East St. Louis' Flyers ran second with 70. Next were Belleville 40, Edwardsville 38, Collinsville 25, Granite City 22 and Wood River 12.

The Warriors are scheduled to entertain Cahokia and East St. Louis Assumption in a triangular at 4 p.m. tomorrow. On Friday, the sophomores enter the Alton Invitational and on Saturday the sprinters go to the highly-regarded Mattoon Relays.

Couch Jim Morrison said the Warriors are beginning to round into shape after the recent lay-off due to the school strike. He said rigorous workouts during the past week helped substantially.

**Hiles Wins Shot**  
Senior Joe Hiles, an old hand at it, won the shot put with a toss of 36 feet two inches but it was more than a foot short of the 57-3/4 record set by Alton's

Bob Richardson in 1959. Ron Selph of the Warriors finished fifth. In the discus, Hiles finished third and Selph fourth. Line fifth, giving Granite City five of the 10 places in the two events.

Edwardsville's Bob Hoskins won the discus at 160-8 1/4. In addition, Granite City's two-mile relay team (Gene Sternberg, Richard Atkinson, John Hall, Ken Terro) was fourth at 8:47.7; the shuttle hurdle team (Hale Nighoshian, Rick Rostelbach, Jerry Lybarger, Art Blund) was fifth at 3:55.5; and the distance medley team (Sternberg, Hiles, Terro, Hall, Gary Lomas) was fifth at 8:23.

**Six New Records**  
Records fell in six of the 14 events. Two were in individual events as Terry Cole of East Side high jumped 6-3 1/2 and Alton's Andrew Johnson ran a 1:42.120-yard high hurdle.

Others were in relays: 440, Alton, 4:38.8; 880, East St. Louis, 1:31.6; shuttle hurdle, Alton, 3:54.4; and mile, Alton, 4:50. Alton also won two other relays—the distance medley in 8:05.5 and

the sprint medley in 3:44.4. Other individual winners were Tom Keenan of Alton, who ran 99.9 in the 100-yard dash, team-mate Bev Terry, who took the pole vault at 11-6, and Gerald Marciano of East St. Louis, who broad jumped 21-8 1/4.

**Jayvees Are Third**  
In the junior varsity division, the scores were East St. Louis 38, Alton 42, Granite City 27, Belleville 18, Wood River 12, Edwardsville 6 and Collinsville 1. The Warriors' entry was composed of sophomores. Gary Johnson won the discus at 132-9, finished fifth in the shot and ran on the 440- and 880-yard relay teams. A third-place finish by the 440 team featured a blazing 3:15.5 anchor leg of 110 yards by Leonard Revelle. Its time of 4:65 bettered the 4:68 posted by the varsity.

Morrison was encouraged. He said 18 athletes topped their previous best of the season, 13 others did as well as expected and only seven lacked in their performances. The team was hurt by the absence of ace quarter-mile Mike Mounce, out with a bruised arch.

**TIED FOR FIRST.** Mexican Honorary Commission and Gilchoff Agency teams are deadlocked for the lead in the YMCA soccer program's Atom Division. TOP PHOTO: Mexican Honorary team, left to right: front row—Mike Demaree, Don Goldschmidt, Wayne Canada, Don Edwards, Bruce Test, Robert Roney and Roger Roney; back row—Coach Jim Cook, Mike Cook, Ted Domitrovich, Steve Chernoff, Tom Ambuhl, Steve Ortiz and Tom Clark; not shown—Bob Test and John Fulcher. **Atom Soccer Loop Ends in Deadlock; Playoff On Sunday**  
Mexican Honorary Commission and Gilchoff Agency finished the Atom Division's regular season in a tie for first place in the YMCA loop. In games Saturday at St. Elizabeth's school, Mexican Honorary defeated Luaders Agency 2-0 on Wayne Canada's two goals and Gilchoff lost 1-0 to St. Elizabeth's as Larry Petri scored. Gilchoff has a 4-2-3 record and Mexican Honorary stands 3-0-5, giving both clubs 11 points in the standings. The tie will be played off at 1:30 p.m. Sunday at Coolidge junior high school. St. Elizabeth's and Granite City Steel Credit Union played to a scoreless tie in the Bantam Division Saturday at Coolidge. And Sunday in a Midget Division game at Coolidge, Herbie Milton's lone goal gave GBU Insurance a 1-0 victory over Lincoln champions.

**What It Was, Was A Baseball**  
The out was automatic but from there on it was strictly ad lib. It happened Thursday afternoon at Roxana where the local high school's junior varsity baseball team was involved in a tight 1-1 battle with Madison. The situation was tense—Roxana had the bases loaded with only one out in the sixth inning, Madison's Nathaniel "Flash" Orr, shrugging off the pressure, got the sign and delivered. Ah ha! The batter lofted an infield fly and the umpire up on his rules, called him out. Madison infielders let the ball drop—quite a leg of course—but, unfortunately, it got into play. Under the infield fly rule, the runners are on their own and Roxana took advantage. The runner on third base sped toward home, and a startled Madison infielder threw wildly. The other two runners took off, the catcher's feet went into left field and the bases, "loaded," only moments before, were barrenly "solved."

**Cahokia Tops Prather In Ninth Grade Track**  
Prather's ninth graders lost a track meet by a 64-54 score Friday at Cahokia despite their first places by Mike Barnhart. Barnhart won the 880-yard run in 2:15, the mile in 5:30 and the broad jump at 17 feet nine inches. Teammate John Hagen won the 220 in 2:46 and the shot put at 37-8 and was second in the 100. Bill Davis of Prather took the 100-yard dash in 1:6.3 and Dan Wilson won the five-hurdle low in 22.1.

**Madison High Loses Fourth Tennis Duel**  
Madison high school's tennis team lost its fourth match in as many tries Thursday as visiting Mascoutah took a 4-0 decision. Only two singles matches, instead of the usual three, were played due to lack of time. The results: SINGLES—Vernon Mack over John Summers, 6-3, 6-1; Jan Woods Mack over Frank Roberts, 6-2, 6-0. DOUBLES—Wendy-Bernie Yeager Mack over Conank Krawick-Tom Miller, 6-1, 6-0; Red You-Tom Love Mack over Richard Moslander-Tom Moslander, 6-1, 6-0.

## Warriors Top Oilers, Divide 2 Other Tilts

Granite City's Warriors avenged an earlier Southwestern Conference loss to Wood River and split a pair of non-conference games here last week.

The 7-2 Southwestern win over the Oilers came Friday between Thursday's 8-7 triumph over Staunton's Bulldogs and Saturday's 5-4 loss to the Cairo Pilots. All three games were played at Wilson Park.

The Warriors knocked out Wood River rightlander Terry Brown, who had beaten them 3-0 on two hits in the second game of the season. All seven runs and 12 hits were off Brown.

After the Oilers got off to a 2-0 lead in the first inning, Nick Pettillo's triple and Russell Peters' double accounted for a Granite City run in the second inning.

In the third, singles by Terry Turner, Joe Hauptman, Pettillo and Gene Bryant and Joe Fanning's triple brought in four more runs and virtually clinched the victory.

**Harris Gets Win**  
Pat Harris relieved starter Bill Harris in the third inning and blanked the Oilers the rest of the way on three strikes.

Against Staunton, the Warriors overcame a 7-5 edge in the Bulldogs with a three-run outburst in the first inning. A hit by Norman Norm Wilgans' double, singles by Joe Hauptman and Ron Yates and two errors accounted for the runs.

Cairo won in the top of the seventh when an infield error, a sacrifice and Tom Burns' single scored the Pilots' fifth run.

Fanning's Eye Sharp  
Joe Fanning, recently inserted into left field by coach Joe Fe-dora, stroked a homer, triple and single against Cairo and a triple double and single against Wood River for a perfect 6-for-6 performance.

The Warriors, now 3-2 in the conference and 9-4 overall, were scheduled to play Alton here this afternoon. They play at Belleville Wednesday and enter their first-place Edwardsville Thursday.

**Coolidge Triumphs In Triangular Meet**  
Coolidge won a triangular ninth grade track meet Friday at Collinsville North with 52 points to Roxana's 49 and North's 36.

The local school took four firsts—Jimmy Gann in shot put, 46 feet seven inches; Brian La-More in the 130-yard low hurdle over five, 1:37; Joe Pashek, 44 in '59; and the 880 relay team (Richard Jones, Pashek, David Gatto and Bob Alfari) in 1:46. La-More was second in 100-yard low hurdle and third in pole vault. Other scores were by Larry Bridges in the 440 and Jones in the five-hurdle race.

## Coolidge, Prather To Play Tomorrow

Coolidge's baseball team enters cross-town rival Prather at 4 p.m. tomorrow after losing its opening contest Thursday at Cahokia 5-3.

Both teams will enter the game with 0-1 records. Prather's Chiefs lost their first game last week to Edwardsville.

At Cahokia, the Braves loaded the bases with one out in the first and second innings but did not push only one home. Coolidge managed only three hits, singled by Phil Spielman, Charlie Fossick and Charles Bequette.

Cahokia broke a 3-3 tie in the fourth with two outs when a bad-nip grounder scored one run and a wind-blown double scored two more.

Coolidge used four pitchers. Ron Anderson, Joel Henry, Tom Todaro and Bruce Lewis.

First place in the latter event went to two other Chicagoans, Todd Skinner and John Jaros, who rolled 1345.

## Shells Climb By Defeating Trojans 12-2

Boosted by strong talent from last season's highly successful junior varsity squad, the Roxana Shells are making a strong bid for the Midwestern Conference baseball championship.

The Shells ripped the Madison Trojans 12-2 Thursday at Roxana, improving their conference record to 5-1. Meanwhile, host-place Duane upset second-place Highland, lowering the Bulldogs' record to 3-2.

Thus, with just four Midwestern games remaining, the Shells have an excellent chance to wrest the title from Cahokia. Last season, Roxana and Madison tied for second place with 4-4 records.

Cahokia coach McLanahan of the Trojans, however, still considers the race undecided and predicted Roxana would lose at least one more game. The only loss so far was administered by Bethesda.

**10-Run Inning**  
Roxana broke open Thursday's game by scoring 10 runs in the third inning. A total of 15 batters paraded to the plate as pitchers Tom Wynn and Mike Dillon gave up five hits and five walks.

The Shells wound up with 14 hits, including triples by Sam Croshaw and pitcher Buzz Kinkade. Kinkade, one of the recruits from last season's 12-3 jayvee squad, permitted four hits, walked two and struck out four. The game was ended by the 10-run rule when Ron Potter's single brought home the Shell's 12th run in the last half of the sixth inning.

Madison scored once in the fourth on two walks and an error and again in the fifth on Dillon's triple and John Hadley's single.

**Squad Depleted**  
The makeup of the Trojans' lineup has altered considerably since the opening game for various reasons, McLanahan said.

Three lettermen have been sidelined. Outfielder John Onksky, a power hitter, passed the maximum age limit allowed by the Illinois High School Association. Outfielder Bob Petrosky rejoined a troublesome leg and is out for the season, and third baseman Jack Miller has been bothered by illness.

In addition, catcher John Summers, a baseball member who was attempting to complete a sweep of letter awards in all Madison sports, has moved back to the tennis team and pitcher-infielder Elwood Baerman is having scholastic problems.

The Trojans are slated to play at Highland this afternoon and then enter the Bethalto Thursday in the first of three successive home games.

## MORE ABOUT

## Board, Teachers

(Continued from page 1.)

1966, board members expressed hope that a pact can be drawn up with Local 743 that also will end on that date. The teachers' present agreement runs out this summer, and the informal session scheduled for Tuesday evening is the preliminary step toward new negotiations.

A letter to Supt. Harold M. Kaiser from Harry A. Lane, chairman of the Local 743 salary and policy committee, follows:

"This letter is to request that an informal meeting between the union representatives and the board of education be called and held for the purpose of mutually discussing any proposals of either the union or the board. This request is in pursuance of an agreement in Article Three

of our working agreement.

"This letter is also to note that the union desires to continue our working agreement, dated March 13, 1963, but the union also desires to revise some terms and conditions of said working agreement."

The March 1963 date referred to is the time the last two-year agreement with Local 743 (July 1962-June 1964) was signed. There is hope of drawing up a new two-year agreement this spring, in advance of the effective date.

Although board meetings have been scheduled for the second and fourth Monday nights, there will be no meeting next Monday, April 27.

Dr. Kaiser, Linder, Dr. Walton and either Monroe Worthen or Robert Order will be in Houston, Tex., for the annual meeting of the National School Association April 28-29.

Dr. Kaiser, Linder and possibly other members of the board will attend a mass meeting of

### USDA Announces Wheat Certificate Program

The U. S. Department of Agriculture today announced that wheat marketing certificates, under provisions of new wheat legislation will go into effect on domestic wheat processing and exports with the beginning of the 1964 marketing year on July 1.

USDA officials announced today, domestic certificates, which will be valued at 70 cents per bushel will cover all wheat processed into food product on or before July 1 and export certificates, which will be valued at 25 cents per bushel, will cover all wheat exported July 1 or later.

USDA officials pointed out that the combination of market prices of 1964, crop wheat and certificates will price wheat for domestic use at prices close to those prevailing during the past few years and, likewise, prices for export will be at world price levels.

Details of the certificate operation as it will apply to processing and exporters, will be discussed with representatives of these groups and in any event, purchases of certificates will not be required until after July 1. Farmers can get more information about the program at the county ASCS office.

### Police Seek Liquor Source in Teen Raid

Granite City police today are investigating the sale of liquor to a minor as the result of the arrest of five teenage boys and a girl at 10:45 p.m. last Friday who were found drinking in a car on Lake drive, Pontiac Beach.

The teenagers, ages 14 to 16, identified two different sources of the beer, naming one tavern in Granite City to Madison county authorities, and another to Granite City police who took jurisdiction of the case last yesterday afternoon.

The teenagers were found drinking in the dark parked car by officer Robert Thompson, who directed a spotlight into the car. A beer bottle sailed out the window at him and the car sped away, county officials said.

It was stopped on Highway 111 where Thompson and Deputy Sheriff Merle Hensley found a half-pint bottle of vodka and a beer case which had only three full bottles left. The evidence was sent to be submitted to family court.

The youths made statements to both county and city police.

### Penologist Will Aid In County Jail Study

A well-known penologist, Dr. Myrl Alexander, professor of correction administration at SIU-Carbondale is to inspect the 100-year-old Madison county jail this evening.

Alexander, director of the center for the study of crime and corrections at SIU, was invited to meet with the 22-member citizens' advisory committee which made its initial study of jail conditions April 9.

Paul Stanley of St. John United Church of Christ here is chairman.

The commission was created by the county board to study all county buildings to determine needs for improvement or replacement.

Alexander formerly was assistant director of the Federal Bureau of Prisons, and is author of a book, "Jail Administration." He served as assistant warden at a number of federal institutions.

This evening's meeting is set for 7:30 and the commission will be accompanied by Sheriff Franderford.

### Miss Carlin Co-Chairman Of IAES Conference

Miss Margaret Carlin, secretary to the Madison school superintendent, is co-chairman of the spring conference of the Illinois Association of Educational Secretaries to be held April 24-25 at Lewis & Clark restaurant, East Alton School secretaries from Madison, Alton and Highland will be hostesses.

About 250 secretaries from the state are expected to attend the two-day meeting which begins Friday and will feature discussions on office management, public relations. There also will be a book show and an installation of new officers.

### Divorce Decree Granted In County Circuit Court

Janet Teller of Granite City was granted a divorce from Jackie Taylor Friday by Associate Circuit Judge Fred P. Schuman in Madison county circuit court in Edwardsville.

They were married Dec. 6, 1958. She was given custody of three children, and he was ordered to pay \$45 per week as child support.

### THIS I BELIEVE

I cannot say at this time the exact day that our Revival will begin, but United Pentecostal Church has invited Evangelist Bernadine Caldwell of Mt. Vernon, Illinois to be our REVIVAL TIME Speaker this Spring. I am expecting to hear momentarily from this very successful Revivalist as to the exact day when her part of the Meeting begins.

This will be the fourth time in eight years that Mrs. Caldwell has promoted soul saving in our Church.

United Pentecostal Church opens a very wide door for all people to visit and share with us in the blessings of the Lord. We are a true FULL GOSPEL CHURCH, and Truth is what we preach and teach. You may be put off coming to our services for some time, but don't you think that it is about time to get in motion this way?

On Sunday mornings the Church doors are open to the study of the Scriptures in Sunday School at 9:30 A.M. After Sunday School the Morning Worship begins at 10:45 A.M. with singing, praying, and preaching. The Sunday Evening Service may be the best service in town at least we feel that it is. There are so many good things on schedule Sunday evenings at 7:00 P.M. that you will just have to come to enjoy it all.

Every Tuesday at 7:30 P.M. the Young People have a most interesting and profitable meeting in a variety of ever inspiring programs. And on Thursday at 7:30 P.M. the basic Bible Teaching service is offered to strengthen believers in the Faith, and to explain the doctrines of the Bible. United Pentecostal Church is a live and active Church!
